PARENTAL NOTIFICATION OF STUDENT ABSENCE

First and Last Name (Legal and Usual) _____

First day of classes missed: _____

Last day away and missing classes: _____

Number of School Days Missed: _____ Reason for Absence: _____

Please Note the following:

Extended absences negatively affect student achievement. We request that parents not use school time for family holidays. Any work missed is solely the student's responsibility. At the discretion of the teachers, the student may be required to complete missed work and write assigned tests or quizzes. The student will be given notice and preparation time.

Students must have the top portion of this form completed and bottom portion signed by their parent/guardian. The form must then be handed into the office for attendance recording purposes. It is the student's responsibility to also inform their teachers of their upcoming absence.

I, (parent/guardian name): _____,
understand that any work missed is solely my child's responsibility. At the discretion of
the teachers, my child may be required to complete missed work and write assigned tests
or quizzes.
