- If we are unable to reach the school, we authorize the release of our child, in his or her own care, provided the situation is deemed safe and our child is not considered to be at risk.
- If we are unable to reach the school, we do not want our child released unless one of the adults authorized below is able to claim our child (medical or response personnel excepted).

Upon release, a record shall be kept of the temporary guardian's name, or the fact the student was released into their own care, along with the date and time of their release, a contact phone number and their expected destination(s).
