**Dear Minister Fleming,**

**Re: Congratulations and Invitation**

**As the Chair for the West Vancouver Board of Education, I'd like to extend our congratulations on your recent re-election and appointment as B.C.'s new Minister of Education. We share your commitment to excellence in education, and know that your past work in this portfolio has prepared you to move quickly on priorities that will enhance education for students. In addition, your many years of experience in the political realm, and your familiarity with a range of social and economic issues will provide great insight into the changing needs of our students in a rapidly changing world.**

**We are also very pleased to know that you have a personal connection to our district, as an alumnus of West Vancouver Secondary School. I'm sure that you know, having grown up in this area, that our community places a very high value on K-12 education, and that strong relationships with community partners contribute enormously to overall student success. As a Board, we have continued to build on this tradition by working closely with partners both locally and in education to create and maintain one of the best education systems in the world.**

**While we have many traditions here in West Vancouver with which you will be familiar, much has changed in our schools, in K-12 Education in B.C. and other jurisdictions, as well as the world in which we teach and learn. We would like to extend an invitation to you to visit our district early this fall, update you with information about our schools and programs, and discuss ways to work together as you assume responsibility for the priorities identified in your mandate letter.**

**Please let us know when you and a delegation of your choice would be available to meet with our Board and some of the fine educators and students who are teaching and learning in our district. Arrangements may be made through Superintendent/CEO Chris Kennedy's office over the summer by contacting Executive Assistant Sharon Pierce by email at: [spierce@wvschools.ca](mailto:spierce@wvschools.ca) or by phone at 604.981.1030.**

**We look forward to meeting you and to working with you on education priorities that will benefit families and students of West Vancouver and British Columbia.**

**Sincerely,**

**Carolyn Broady, Chair  
West Vancouver Board of Education**

Dear Ms. Broady:

Thank you for your kind words of support.

I am delighted and honoured to have been appointed as the new Minister of Education, and I am proud to represent the Victoria-Swan Lake community as MLA. I look forward to building on the great work being done to achieve our vision of a strong education system for all British Columbians.

As you know, one of my Ministry's main goals is to continue to work towards improving outcomes for every learner in the system. In keeping with the transformation of the education system in British Columbia, we will continue to work closely with all education partners on our mandate of seeking improvements in personalized, flexible learning approaches for students; supporting our hard-working teachers; and, ensuring we have an education system that is effective and accountable.

It is my intention to visit as many regions of the province as possible in my new capacity as Minister of Education, in order to meet with school boards. My office will be in touch with you to set up a mutually convenient time to meet.

Again, thank you for writing.

Sincerely,
